

Krishna Sahu

Aspiring Data Scientist | AI/ML Enthusiast

Bangalore, India | krishnasahu@email.com | linkedin.com/in/krishna-sahu | github.com/krishna-sahu

PROFILE

Computer Science student with a strong interest in Data Science, Machine Learning and AI. Passionate about exploring data, identifying patterns and building intelligent solutions for real-world problems. Continuously learning new technologies and developing practical projects.

EDUCATION

B.Tech in Computer Science - Dayananda Sagar University (2023 - Present)

TECHNICAL SKILLS

Programming: Python, Java, SQL

Data and ML: Data Analysis, NumPy, Machine Learning, Power BI

Web: HTML, CSS, JavaScript

Tools: MySQL, Figma, Git and GitHub

EXPERIENCE

Data Analytics Internship - Data Science & Machine Learning | Jun - Aug 2025

- Worked on data cleaning, visualization and dashboard creation using Python, SQL and Power BI.
- Gained hands-on experience with real-world datasets.

PROJECTS

Expense Tracker

Technologies: Python, Data Analysis - Tracked, organized and analyzed personal expenses to understand spending patterns.

Student Performance Prediction

Technologies: Python, Pandas, NumPy, Scikit-learn - Analyzed academic information and used machine learning to predict student performance.

Movie Recommendation System

Technologies: Python, Machine Learning - Developed a recommendation-system project designed to suggest movies to users.

CERTIFICATIONS

- Data Analytics - Google
- Machine Learning - Coursera
- Python Programming - Udemy
- AI for Everyone - Coursera
- Power BI - Microsoft
- Web Development - Internshala

INTERESTS & GOAL

Data Science, AI/ML and Web Development. Goal: build intelligent solutions and grow continuously through practical learning and meaningful projects.
